Dear Mr. Ciaraldi,

This is in response to your letter of October 11, 2000 referencing the April Monthly Report of the Republican National Committee.

Advisory Opinion 1992-33 provided two alternatives for national party committees to report in-kind contributions. The Republican National Committee has elected to follow the alternative provided by the Federal Election Commission ("the Commission"). In-kind contributions are reported on Schedule H3, Schedule H4, and on Line 1 of Schedule I with a reference to Schedule H4 for each in-kind contribution. This has been the practice of the Republican National Committee since October 14, 1992.

If you believe the Republican National Committee has misinterpreted the Commission's Advisory Opinion 1992-33, I suggest we meet after November 7, 2000 to discuss your interpretation.

Sincerely,

Tom Josefak
